Roundup

Foreword

As, in the years ahead, you again and again turn through the pages of this volume, may each of your adventures into the realm of memories recall to you happy thoughts of your school days in Stanton.

We, the staff, hope the effort we have gathered between this cover will be cherished by you, and never fail to refresh you with wonderful remembrances of this year.

You, each of you, and all of you, students and faculty, with your encouragement and the inspiration you have given us, have made the 1956 Roundup possible.

The Staff

Dedication

This, the 1956 Roundup is dedicated to one whom we have come to know and love as our friend and counsellor; to one who has always found time to be sympathetic and understanding, generous and patient, to one whom we have always been able to depend on for guidance and help-----Mr. L. M. Hays, our superintendent.

A MESSAGE FROM THE SUPERINTENDENT

It gives me great pleasure to congratulate the Staff and the Sponsor of the 1956 "Roundup" for their tireless efforts and time spent in editing an excellent yearbook.

Your book portrays a successful school year brought about by the combined efforts of the student body, the faculty, the board of education, and the community whose good will has supported our school program this year.

To all of you I extend thanks for your cooperation. To the graduating class of 1956 I say: "May the Keyhole of Opportunity, through which you are now peeping into the future, reveal to you the road leading to success."

Sincerely,
L. M. Hays

A MESSAGE FROM THE HIGH SCHOOL PRINCIPAL

To the Students of Stanton High School:

Another school year has ended which means another milestone in your life has been reached. A glance over the activities of the school year of 1955-1956 reveals that most of you have taken advantage of your opportunities and met your responsibilities successfully.

For most of the seniors, this year brings to an end your formal education, while some of you will continue your education in college. I join in with the board of trustees, administration, and faculty in wishing you much success in your future endeavors. May the future open to you fields of activity in which you will be able to accomplish much for the good of the community in which you will live, our country, and our God.

Sincerely yours,

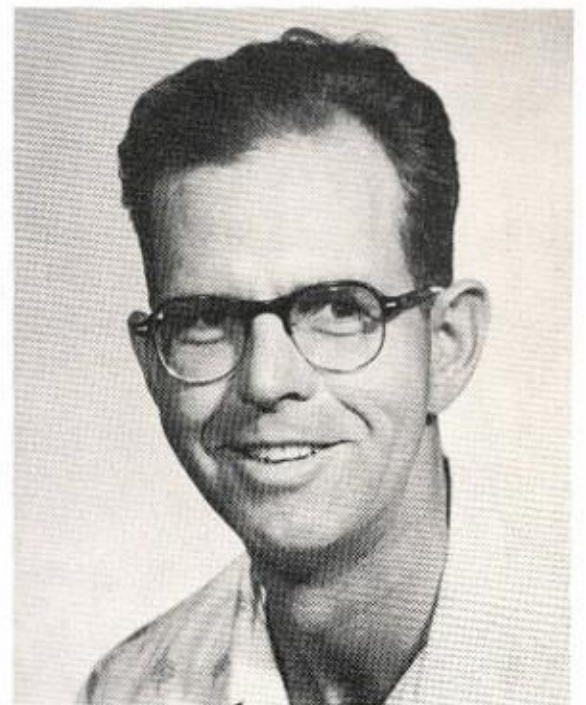

Olen Holland

A MESSAGE FROM THE GRADE SCHOOL PRINCIPAL

The school year 1955-1956 has been successful in a number of ways. We have grown a little taller physically, morally, spiritually, and mentally. In this we have followed the pattern of the Great Teacher of whom it was said, "And Jesus increased in wisdom and stature, and in favor with God and man." We will continue to grow as we think on things that are true, things that are honest, things that are just, things that are pure, things that are lovely, and things that are of good report.

I am happy to join the Board of Education, the Administration, and the Teachers in wishing you a successful future.
